### 11. RECORD DATE AND SHAREHOLDERS' ENTITLEMENT

- As required under the Buy-back Regulations, the Board has fixed Friday, 23<sup>rd</sup> March, 2018 as the Record Date for the purpose of determining the entitlement and the names of the equity shareholders who are eligible to participate in the Buy-back Offer. Accordingly, all persons holding Equity Shares of Company as on the Record Date are Eligible Shareholders and are eligible to participate in the Buy-back Offer.
- In due course, Eligible Shareholders will receive a letter of offer along with a Tender/Offer Form indicating the entitlement of the equity shareholder for participating in the Buy-back Offer.
- The Equity Shares to be bought back as part of the Buy-back Offer are divided in two categories:
  - Reserved category for small shareholders; and
  - General category for all other equity shareholders.
- As defined in the Buy-back Regulations, a "small shareholder" is a shareholder who holds Equity Shares having market value, on the basis of closing price on BSE as on the Record Date, of not more than ₹ 2,00,000/- (Rupees Two Lac only).
- In accordance with Regulation 6 of the Buy-back Regulations, 15% of the number of Equity Shares which the Company proposes to buy-back or number of Equity Shares entitled as per the shareholding of small shareholders, whichever is higher, shall be reserved for the small shareholders as part of this Buy-back Offer.
- On the basis of the shareholding on the Record Date, the Company will determine the entitlement of each shareholder, including small shareholders, to tender the Equity Shares in the Buy-back Offer. This entitlement for each shareholder will be calculated based on the number of Equity Shares held by the respective shareholder on the Record Date and the ratio of the buy-back applicable in the category to which such shareholder belongs. The final number of Equity Shares that the Company will purchase from each Eligible Shareholder will be based on the total number of Equity Shares tendered. Accordingly, the Company may not purchase all of the Equity Shares tendered by Eligible Shareholders.
- After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the Buy-back Offer by Eligible Shareholders in that category and thereafter from Eligible Shareholders who have tendered over and above their entitlement in other category.
- The participation of the Eligible Shareholders in the Buy-back Offer is voluntary. Eligible Shareholders may also tender a part of their entitlement. Eligible Shareholders also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other Eligible Shareholders, if any. If the buy-back entitlement for any shareholder is not a round number, then the fractional entitlement shall be ignored for computation of Buy-back Offer entitlement to tender Equity Shares in the Buy-back Offer.
- In order to ensure that the same shareholder with multiple demat accounts / folios do not receive a higher entitlement under the small shareholder category, the Company will club together the Equity Shares held by such shareholders with a common PAN for determining the category (reserved category for small shareholders or general category) and entitlement under the Buy-back Offer. In case of joint shareholding, the Company will club together the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of Eligible Shareholders holding Equity Shares in physical form, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Company will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, pension funds / trusts, insurance companies, etc. with a common PAN will not be clubbed together for determining the category and will be considered separately where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the Registrar as per the shareholder records received from the depositories.
- 10The maximum tender under the Buy-back Offer by any Eligible Shareholder cannot exceed the number of Equity Shares held by such Eligible Shareholder as on the Record Date. The Equity Shares tendered as per the entitlement by Eligible Shareholders holding Equity Shares of the Company as well as additional shares tendered, if any, will be accepted as per the procedure laid down in Buy-back Regulations. The settlement of the tenders under the Buy-back Offer will be done using the "Mechanism for acquisition of shares through Stock Exchange" notified by SEBI Circulars, as may be amended from time to time and other relevant rules and regulations.
- 11The buy-back of Equity Shares from non-resident members, overseas corporate bodies ("OCBs") and foreign institutional investors ("FILs"), foreign portfolio investors ("FPIs") and members of foreign nationality, if any, etc. shall be subject to such approvals as are required including approvals from the Reserve Bank of India under the Foreign Exchange Management Act, 1999 and the rules, regulations framed there under, if any.
- 12Detailed instructions for participation in the Buy-back Offer as well as the relevant time table will be included in the Letter of Offer which will be sent in due course to the Eligible Shareholders.
